

Dear Friend of CrossRoads,

Would you consider being a business sponsor for our annual fundraiser? This one day event generates one-third of our operating budget each year and business sponsors

contribute close to 50% of that funding! The 2019 CrossRoads Fundraiser is a Family Fun Day on **October 5, 12:30-4:30** and includes a pig roast, chili cook-off, yard games, music, and hearing from our men. Registration is on our website at: www.crossroadsfreedomcenter.org.

Last year we raised close to \$50,000 which enabled us to continue offering a Christ-center recovery program to men seeking freedom from alcohol and drug addictions.

Last year support from business and individuals like you allowed us to:

- Serve 16 different men in our Men’s House with food, housing, utilities, and programming
- Make needed repairs to our equipment and facility
- Begin renovations of two cottages for future staffing as we expand

We hope you consider one of the following sponsorship levels, though donations in any amount are welcome. Together, we can give them hope!

Thank you and God Bless!

Joe and Maria Tarasuk
