

WAYS TO VOLUNTEER

DELIVERY TEAMS

Once the bed pieces are made, we schedule deliveries to approved applicants when volunteers are available. Before the scheduled delivery appointments, volunteer teams of 3 to 6 people rally at our staging location; load the required beds, mattresses, bedding, hardware and tools; and head out to deliver, assemble and make the beds. No special skills are required. Families or groups of friends can volunteer to do deliveries together while individuals can be paired with other volunteers. It's great to have women and children on delivery teams to connect with recipients. A typical delivery takes 1 ½ to 2 hours. Caution: Watching the joy on the face of a child receiving a bed can be habit forming!

BUNK BUILD DAYS

While sponsors of Bunk Build Days usually provide volunteers to build beds, we always need SHP volunteers to help set up and tear down the build lines as well as train the sponsor volunteers on how to perform the workstation tasks. When the sponsor can only provide a handful people to help, we may need as many as 20 SHP volunteers to fully staff the build. Typical Build Days go from raw lumber to 10 bunks (20 beds) in less than four hours with about an hour of setup before and an hour of tear down after. We especially appreciate volunteers who help with set up and tear down! No prior experience or special skills required!

SPREADING THE WORD

Because SHP is an all-volunteer, donor supported organization, volunteers enthusiastically spreading the word about what we do is critical to the success of our mission. Whether it's an email to friends, social media posts with pictures or videos, blog posts or simply talking to people in your sphere; it's super helpful when you let people know that we build and deliver beds, including mattresses, and bedding for children aged 3-17 who have no bed of their own and we depend entirely on volunteers and donations from individuals, businesses and organizations.

SLEEP IN HEAVENLY PEACE

ABOUT US

Founded in Kimberly, Idaho in 2012, Sleep in Heavenly Peace (SHP) is a 501(c)(3) non-profit providing hand-made bunk beds to children who don't have beds of their own. Not only do we deliver these beds to kiddos in need, but we partner with organizations, churches, businesses and individuals like you to build them at events called Build Days!

HOW CAN YOU HELP?

Our Bunk Bed Build Days are the perfect event if you're looking for a service opportunity for your organization that will make a permanent difference in your own community. You can also join our delivery team and see the smiles of the children who receive their very own bed - some for the first time!

Sponsor a Build Day

Our Build Days are special events where we partner with an organization from the community to build our bunk beds. The more money and volunteers we have, the more beds we can build.

Donate to our cause

Each bed costs \$250. This includes the cost of the material, mattresses, and bedding. Your budget will determine the number of children we can get off the floor and into their own beds.

Volunteer your time

A private build day includes employee volunteers, or you can hold a public event and engage the community. Build days are great skill-building and networking events for your staff members.

NO KID SLEEPS ON THE FLOOR IN OUR TOWN!
