

Make a World of Difference Help Our Afghan Ally Families

Afghan Allies helped our troops by serving served as interpreters, translators, cultural advisors, drivers, and more. Afghan Allies were evacuated to the U.S. because they became the targets of anti-American violence. Now they need our thanks and help.

How Can I Help?

DONATE Provide financial support to Afghan Allies who come to Frederick. When they arrive, they will need housing, supplies, transportation, and food. Donating provides an opportunity for you to thank, help, give, show kindness, and share what you. Your financial donation directly aids Afghan allies resettling in Frederick.

Donations to the **Resettlement Welcoming Committee** are tax-deductible when made through the Asian American Center of Frederick, a 501(c)(3) organization. Please note RWC on your donation.

VOLUNTEER Provide assistance through: cultural introductions; becoming a local guide; providing transportation to appointments; and the list goes on
