**Why Donate?** Collected Books are used in a collaborative effort to improve literacy throughout Washington County. Books are distributed in areas of the community that ensure the greatest impact on the most vulnerable children and adults. Your donation improves child and adult literacy by empowering our residents through the gift of a story.

The Community Book Drive is a partnership of the United Way of Washington County, MD, Hagerstown Rotary Club, Hagerstown Area Religious Council, The Judy Center, Washington County Community Book Warehouse, and the Early Childhood Advisory Council.
