A Benefit Organ Recital

featuring

JEFFREY DONNELLY

7:00 pm

June 21, 2024

Since 2008, Jeffrey Donnelly has been the Director of Music and Organist at St. Paul's Lutheran Church in Monessen, PA. As an organist and composer, he is devoted to the art of improvisation. Jeffrey has composed nearly 30 works and has transcribed numerous works to organ.

This recital will consist of works by Debussy, Vierne, Giroud, Peeters, and others; as well as the ***premiere performance of a new composition.***

All donations will be used for the restoration of the Moller organ at St. John's. Over the 90 plus years since the installation of the organ, many alterations were made that need reversed. The estimated cost of this restoration will be about \$280,000. It is our hope to restore the organ to its original 1931 condition. The organ currently has 59 ranks and 3,696 pipes. After completion of the restoration it will have 63 ranks and 3,952 pipes.

Please plan to attend this musical event that will acquaint you with the amazing works of great composers performed on our marvelous 1931 Moller organ.

If you prefer to donate by check, please specify "Organ Fund" in the memo line.
